Important notes:

Please fill out the application completely. Small migrant associations and participants applying for the stage program for the first time are usually given preference. In the selection process, care is taken to ensure that a varied program is presented on stage.

Note on remuneration:

Artists will receive a small expense allowance for their participation in the stage program. Funding is limited. Therefore, mainly associations/initiatives in migration work and migrant associations that are not funded will be supported. Depending on the effort and the number of participants, they can receive up to 200 euros.

Associations that receive year-round state financial support (institutional support or project support), institutions of the city administration as well as state institutions usually receive a maximum of 50 euros.
